

## **KANDI LIMITED WARRANTY**

This vehicle warranty is provided in addition to the Federal Emissions Control Warranty, furnished separately.

For all KANDI utility vehicles (UTVs), golf carts (GCs), and electric bikes (EBs) sold in the United States, KANDI warrants all parts of the vehicle except those listed under the caption "What is not covered" (see reverse side). This warranty covers any repairs needed to correct defects in materials or workmanship under normal use and maintenance. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. The term of this limited warranty is:

Twelve (12) months for Kandi Golf Carts (GCs), and utility vehicles (UTVs), and electric bikes (EBs).

Twenty-Four (24) months for AGM batteries. Thirty-Six (36) months for lithium batteries.

### **Warranty Transfer:**

KANDI limited warranty is transferable with a transfer fee of \$50.00, and the transfer form has to be submitted to KANDI before coverage can be transferred.

### **Vehicle Owners Warranty Responsibilities:**

- Vehicle owner must properly use, maintain and care for the vehicle as outlined in the KANDI owner's manual.
- Owner must service and maintain the vehicle according to the Service Schedule and Record Sheet to maintain the warranty active.
- KANDI may ask for such Service Schedule and Record Sheet when processing a warranty claim.
- Warranty repairs must be performed ONLY by authorized KANDI dealers. Unit repair or component replacement initiated by the customer must occur during the warranty coverage period. Units brought in to the dealer for warranty repair after the warranty coverage period has expired will not be covered by warranty.
- Authorized KANDI dealers or reputable motorcycle and golf cart repair centers can perform periodic services and inspections.
- Periodic service and inspections are considered regular maintenance and not reimbursable.
- Local sales taxes or any legal fees are not reimbursable.
- Failure to provide proof of required periodic maintenance upon request may result in denial of warranty coverage. KANDI products are designed to perform ONLY with Genuine KANDI OEM parts and oils. Warranty coverage will be denied if a failure occurs during the warranty period resulting from non-recommended KANDI parts and lubricants.
- Owner is responsible for cleaning debris from the vehicle, including grass, leaves, etc., from areas exposed to heat or friction. If the vehicle is operated in or near flammable debris, frequently inspect and clean potential hazards from the vehicle.

### **Authorized KANDI Dealers Warranty responsibilities:**

- Warranty repairs will be made at no charge for parts and labor.
- Any replacement part(s) will be replaced with new or authorized remanufactured part(s).
- The decision to repair or replace said part(s) is solely at the discretion of KANDI.
- Warranty terms and rights may vary from state to state.
- Any implied warranty of merchantability and fitness for a particular purpose shall be limited to the duration of this written warranty (see reverse for details).
- Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.
- This warranty gives you specific legal rights.
- You may also have other rights, varying from state to state.

### **How long is the Warranty?**

The warranty is effective from the date of purchase by the original owner. For GCs , UTVs and EBs, the warranty is effective for 12 months. Winches (for models equipped) are covered for 90 days. For AGM batteries are covered for 2 years. For lithium batteries are covered for 3 years.
